DEDICATION TO EMPOWER, EDUCATE, AND ENGAGE

Dear Friend of Turning Point,

We are excited to share with you Turning Point of Lehigh Valley's pledge campaign for Domestic Violence Awareness Month this October. During the entire month of October, we will dedicate our focus to empower, educate, and engage the community to learn more about domestic and intimate partner abuse, highlight our life-saving services, and ways to help. You will find upcoming events, including our virtual vigil on our Facebook page. With your participation in the pledge campaign, together we can reach a wider audience and have a greater impact in making a difference.

Domestic Violence Awareness Month is also a crucial time for us to raise the necessary funds for our programs and services that benefit residents of the Lehigh Valley. There has been an unprecedented demand in an unparalleled environment for the need for our services. In a time where we have struggled to keep our operations normal during the pandemic, we have seen a humongous increase in our services from last year to this year. Since last year, we have seen an increase in all of our services and the number of people that we have helped with our services has jumped from 2,600 to 3,500.

As a community, you were a huge part in helping us get the word out to those who needed help. With the surge in people that we are helping, we also have a surge in expenses. Your help is needed now more than ever so that we may continue to answer the call for those in dire situations. We realize that not everyone may be able to give back this year. Our ask is that you consider participating in whatever way that you can so we may continue to provide an array of comprehensive trauma informed services to survivors of domestic and intimate partner abuse as well as educate the community about this social issue.

Take the pledge to end domestic and intimate partner abuse in the Lehigh Valley!

Domestic Violence Awareness Month

One of the most important things you can do to participate in DVAM 2020 is to **learn something new** about domestic and intimate partner abuse.

This challenge allows you to learn about healthy and unhealthy relationships, then **test your knowledge** with a short interactive quiz!

The challenge is active the whole month of October 2020!

Watch the pre-recorded webinar at no cost here:
