Holiday Gift Card Drive 2020

At Turning Point, we embrace the philosophy of empowerment. Our belief is to empower our clients through our programs and services to give choice and control back to domestic and intimate partner abuse survivors.

As the holidays approach, it is important to reflect on the joys and blessings in our lives while being aware that there are many families of domestic and intimate partner abuse who are in need.

Consider giving back through the Holiday Gift Card Giving Drive to help survivors celebrate with dignity during this holiday season. Your gift card donation empowers survivors to be part of holiday shopping experience for their children by allowing them to pick out just the right gifts for this holiday season.

Gift Cards Needed:

Target	Giant
Walmart	Weis
Visa	Wawa

We will be collecting gift cards (increments of \$25 or \$50) until **December 18th, 2020** in order to allow for shopping time.

Please direct all questions to our Advancement Coordinator, Leah at leah@turningpointlv.org or 610-797-0530 ext. 234
